Re: YWA 10K

**Greetings, my sisters, in the name of our Lord and Savior,**

We are so excited to kick off the year of 2026 with our new theme **“Rooted in Purpose, Rising in Power: Preparing Young Women for God’s Greater Work” (Jeremiah 17: 7-18)**. We are looking to have another successful session. We are asking for participation as we prepare for our YWA 10K fundraiser for the upcoming year. As stated before, The YWA 10K is a fundraiser initiative that directly supports the educational component of the WBEMCSC YWA. All funds raised through this initiative will go directly to support Benedict and Morris College.

I am asking that **each WBEMCSC YWA Association** raise a minimum of **\$1,000** towards this goal. The first due date for this fundraiser was **February 2026** (at our annual planning meeting at Morris College); however, you are still able to make your donations. All checks can be made out to the Young Woman’s Auxiliary of the Woman’s Baptist E&M Convention of South Carolina.

Let us all work together to be a blessing to the students of both Morris and Benedict students. I want to thank you for the success of the YWA 10K. We were able to exceed our goal on last year and our goal is to be just as successful this year. I look forward to seeing what is in store for the upcoming year. All of this could not be accomplished without your participation. Let us continue to work together in Christian love; as we are more powerful as one.

**Blessings,**

**Ms. Contrina Harrison  
WBEMCSC YWA President**
